Yellow color burning fire frame

Une ferme laitière a été ravagée par les flammes dimanche matin, à Noyan, en Montérégie.

Une centaine de bêtes d'élevage ont perdu la vie dans les flammes, [rapporte Radio-Canada](#). Le feu s'est déclaré vers 2h40 dans une coopérative laitière de la municipalité de plus de 1300 âmes.

Une quarantaine de pompiers ont réussi à maîtriser les flammes vers 7h. Aucune personne n'a été blessée.

«J'ai été réveillé à deux heures du matin et il y avait le feu à la grandeur, a indiqué Louis Leduc, propriétaire de la ferme, [en entrevue à TVA Nouvelles](#). Il n'y avait plus rien à faire. C'était à mes grands-parents et là, c'est la quatrième génération qui partait, mes fils allaient reprendre la ferme.»

«La construction, ça peut se refaire, se reconstruire, mais quand on perd les animaux, c'est une double perte», a pour sa part indiqué à Radio-Canada le maire de Noyan, Réal Ryan.
